DEMONSTRATION  
& HOW-TO VIDEOS

- MM20S MEGAMIXER with ergo H handle
- Improved handle for cable protection
- Solidly made, hard working power tool
- Heavy duty motor & long life gearbox
- Soft start, low splash
- High torque & slow speed for heavy materials
- Reliable power tool with fast service backup
- Guaranteed German made mixer drills & paddles

The MM20 MEGAMIXER is a single speed power mixer with H handle design. The H handle gives easy handling and a comfortable mix position; the new design handle helps protect the power tool motor from damage

It has a robust well proven 1100w motor, soft start switch and MR3 130 spiral mixer paddle

It's simple robust design makes it a powerful and reliable power tool for plastering and building trades.
